CERTIFICATION

ASTM-B221-12 Standard/Continuous

SPECIFICATION

AMS-QQA-2008

We hereby certify that the material covered by this report has been inspected in accordance with the most recent certification revision, and has been found to meet the applicable requirements described herein, including any specifications forming a part of the description, and that samples representative of the material met the composition limits and had the mechanical properties shown. SCM extrusions are manufactured in the USA.
